LESTER JONES
CLAY / MIXED MEDIA

Lester Jones - Lester Jones is a contemporary mixed-media artist whose work bridges tradition and modernity. Drawing inspiration from African heritage, storytelling, and spiritual symbolism, his art often explores identity, resilience, and transformation. Through sculpture, painting, and multimedia expressions, Jones creates pieces that invite reflection and dialogue about culture, history, and the human spirit.

Artist Statement

"My art is a journey between the past and the present. I blend textures, symbols, and forms to honor ancestral wisdom while creating new pathways of expression. Each work is a dialogue—a conversation between heritage and imagination, between what was and what can be."
